

# HOT OFF THE PRESS

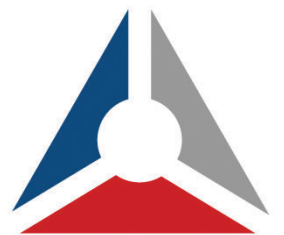

# NOT TO THE TOUCH

Introducing the slimmest, full access radiator guards on the market

- ✓ Domestic personnel can open hassle-free – No need to call in estates or technical staff
- ✓ With easy accessibility for cleaning and an anti-bacterial coating, there's less risk of spreading infection
- ✓ The vulnerable stay safe with low surface temperatures and all sharp edges are covered. Anti-ligature designs are available too
- ✓ Boasting an efficient grill design and robust construction, you can enjoy saving space, time AND money
